

Class 3 Raging Rivers

English

In English this term, we will be writing Setting descriptions, narrative mysteries, non-chronological reports and informal letters. After half term, we will be writing poems, eye witness reports, conversations and creating a narrative about another world.

Maths

We will be focusing on:
Decimals, Mass and Capacity,
Money, Time and Statistics.
We always work hard on
learning our Times Table, with
the Year 4's working towards the Multiplication
Check.

Science

Science this term will be finding out about humans and other living animals. They will be finding out about the right types of food for animals including humans to stay healthy. This will include the right types and amounts of nutrients. Children will be

finding out about how the skeleton and muscles help us, move, support and protect us.

We will then be looking at the digestive system in humans and study the different types of teeth in a human and how we use them. The final part of our science will be investigating and making our own food chains, identifying producers, predators and prey.

Geography

The children will find out more about why rivers are so important to the towns and villages that have developed on their banks. By looking at the features of rivers, and the natural and human ways that rivers change over time, children will explore the life stories of rivers.

Children will learn the names and locations of the major rivers of the UK and the world.

Art

Our topic will be on 'Bodies' where the children use pen, charcoal, felt tip, make maquettes, make paper clothes and sculpt Giacometti-inspired models to create quality artwork. The children will also have the opportunity to explore the work of 'Bodies' artists Julian Opie, Alberto Giacometti and Henry Moore.

P.E

Lacross, Athletics, Cricket and Rounders.

Music

Children will enjoy learning a repertoire of songs, play percussion instruments as an ensemble and continue to appreciate different genres of music.

PSHE

Children will learn how to keep healthy and look after their bodies as well as exploring global issues in our 'One World' unit.

French

Class 3 will be able to talk about the weather in French and learn about the people, culture, and geography of France in a project entitled 'All about Paris'.

RE

We will be trying to answer the questions: What does it mean to be a Hindu in Britain today? What can we learn from religions about deciding what is right and wrong?

Homework- Please support your child to continue achieving their weekly targets.

- 1) Athletics 1000 points
- 2) Spelling activity in book ready for test.
- 3) Reading at home to an adult as often as possible. Please record this in the reading record.

Please come and ask if you have any questions.
Many Thanks Class 3 Team.
